7.2.1 – Describe at least two institutional Best Practices

1) Value based Education: The College is committed to impart value based education to the students and connect them to their culture and tradition apart from imparting formal and professional education in the various streams. The founder father, a great visionary Jathedar Sohan Singh Jalalusman has established this institution to commemorate the great martyr Shaheed Darshan Singh Pheruman. The mission and Vision of the college is to educate and empower the girls to make them self confident and self reliable. The college has its focus on the quality education with value added courses to develop the 5 H qualities among the students i.e. Quality of Head, Quality of Hand, Quality of Health, Quality of Honor and Quality of Holiness. In the era of commercialization consumerism and materialism the value system has been getting a back bench seat in the modern scenario. This lack of moral values have been corroding the vital part of the societal fabric, That means our youth. As the college is committed to the facilitated development of the girls students so the faculty members educate them with the holistic approach and make them competent in every field of academics, sports and culture. The value based education promotes high academic standards by nurturing ethical qualities among the students. This practice concentrate on sensitizing the students to the social issues in the community through the NSS and NCC. They become connected with the society and empower themselves with the qualities like sensitization, character building, emotional balance, civic sense, and above all it helps them to be the constructive and productive citizen of the country. The College faculty has always been on their toes under the dexterous guidance of versatile principal to inculcate the quality and spirit of strive for excellence among the students. This spirit inspires them to put all their sincere efforts, perseverance and passion to ignite the spark of learning skills. Maximum emphasis is laid on developing the IQ, EQ and SQ of the students.

2) Fee concession and Scholarship: The College is committed to impart quality education to the girl students hailing from the surrounding villages. The girls in this strata belongs to the poor families and cannot afford the expenditure of higher education. To help these needy students the college provides genuine fee concession to the economically poor students. They achieve the higher education to stand on their feet and to become self dependent as manifested in mission and vision of the college. The merit holder students are awarded with the merit scholarship. The college has established a scholarship cell where the SC/ BC and Minority students are guided to apply for the Post Matric Scholarship scheme. This scholarship and

financial help felicitate the economically weaker students to pursue higher education in the college. A bulky fee concession, poverty concession, stipends are given to the students for their education in the college. The needy students are also given the book facilities from the book bank of the College library, college uniform is also given to the needy students. The students participating in the Zonal Youth festival are given the incentives in monetary terms. The buddy players of the college are given the freeship and half fees facility as per their performance in the sports. They are also given the free hostel facility in the college hostel. Eventually the College is committed to provide a genuine financial aid to the students to reduce the burden of the economically weaker students. Apart from this the students are given the facility to deposit their fee on the easy installments. Infact studying in this college is very beneficial for the beneficiaries as the college has a well developed system of student support facilities. Moreover the conducive environment of teaching learning in the college is really full of quality and virtues where students get their hidden talent explored and exhibited on the platform of higher education in this temple of learning.

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The College has an excellent infrastructure provided by the dexterous management to uplift the level of academics, sports and cultural ambiance in the college. The infrastructure is utilized for the welfare of the students as well as the smooth functioning of the college activities. The college has 5 well equipped computer labs with Wifi facility. As per the need the new computers are also added. The library of the college is boast of having more than 15000 books for the book bank facility for the students. Needy Students can issue the books for the whole year. The budding players are also paid incentives for their encouragement. The college has indoor stadium and gymnasium for the sports students. They are given the financial aid and freeship for their dreams to be come true. The college has 100 computers in the computers lab and 20 in the language lab lased with the modern software in English. The budget is allocated for the augmentation and the upkeep of the infrastructure which is proved to be hall mark of the college. The classrooms are well furnished and spacious with good cross ventilation. The policies for maintaining the academic and sport facility are made by IQAC advisory committee. Resolutions are made and passed by the chairman of the college managing committee. Eventually the college has a very effective procedure working in planning and maintaining the infrastructure in the form of utilizing physical and academic and sport facility.

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust

The College is committed to sensitize the students with the community service. To promote this idea the college has performed well in the cleanliness of the local area in the form of distinctive activities and which have been appreciated by the locales. The awareness programs have been conducted in the form of rallies. The Incubation Cell is established in the college with the motive of providing training to the students related to the career orientation. The program undertaken by the cell are Spoken English, Grammatical Skills, Interview preparations and Basic Computer Literacy Program which are conducted from June 1 to June 30 every year. The students enrolled in these programs are the college students and the other students from the neighborhood and the catchment area of the college. A very nominal fee is charged from the students. These programs are based on the basic concepts of English and Computer to be taught to the students so that they can stand on their feet and earn while learn. The girls belongs to the marginalized family who are not able to continue their higher studies in the degree colleges, they are enrolled in these programs for providing training free of cost by the Incubation cell of the College. The Program Outcome of these specific programs is that students are able to learn the basics of computer and can work for their livelihood and earn money to continue the higher studies in the college. The students enrolled in these programs are well informed regarding the technicalities of the linguistic competence in English and MS- Office in Computer which will help them to work in the small offices, shops, malls etc. They are imparted quality and value based education for one month and after the completion of the classes students are evaluated through the Mock Interviews in English and practical work in the MS – Office. A interview panel is comprises of Head of Department of the College and the Principal of the College as the Head of the Interview Panel. The certificates of one month course completion is given away to the students in respective programs outcome. In this way the College is putting the sincere efforts on this distinctive area of vision and thrust as manifested in the mission and vision of the college.
