Creating awareness about environment

The College is playing an important role in creating environment consciousness along with academics because in the present scenario, education has to make an impact on our surroundings also keeping in the view the vision and mission of the college, various initiatives are taken by NSS, NCC and Red ribbon Clubs. Tree Plantation drives are organized through out the year. A Herbal garden has been established in the college in which 36 different herbal plants heaving medicinal values have been planted. The students are made aware regarding efficient initialization of natural resources. This year also, many saplings have been planted in the adopted village Wadala. 'Say no to Plastic' campaign is also a part of environment consciousness.
